What is the Tenant Protection Plan?

Our Tenant Protection Plan is a way for you to protect your stored items against things like theft, vandalism and other building damage*

Why do I need it?

Without protection, items you store with us are done so at your own risk. Under the Tenant Protection Plan, that risk is shifted to us**

How much will you cover?

We offer 3 levels of stated value under the Tenant Protection Plan. Choose one that best reflects the value of your stored items.

<u>Stated Value</u>	<u>Monthly Plan Fee</u>
\$2,000	\$10
\$3,500	\$15
\$5,000	\$20
